

Grand Isle Cutting Instructions ~ 66" x 88"

- WOF means width of fabric. LOF means length of fabric.
- Label pieces as indicated by letters/numbers in **Bold** in the cutting instructions.
- Alternate cutting instructions for using the Cat's Cradle tool by Creative Grids are listed beginning on page 2. I strongly suggest using this wonderful tool for making the "Cat's Cradle" units. There are no bias seams and it's really fun to use. ☺
